« ILA is incredible. It was much more than I expected. I would recommend ILA to anyone – it is wonderful. My Teacher was amazing, she was not only the best French Teacher I had ever had but also the best I had had in any subject. »

Betsy (U.S.A.)

« I spent 4 extraordinary weeks at ILA! In addition to having good courses, with great energy, I got to take part in a lot of the extracurricular activities like the visit to the zoo in Montpellier, the excursion to Aigues-Mortes and the workshops set up to improve my French. The city really is beautiful, and you get to eat good food there! Thank you, ILA! »

Montpellier

Montpellier, the capital of the Languedoc-Roussillon region, has a long tradition of student life due to having one of the largest and the most prestigious universities in Europe. More than 80,000 students study here, which makes up over a quarter of its population. Montpellier is by far the youngest city in terms of average age in France. Almost half the population is under 30 years old. You will feel this in everyday life - Montpellier is young, dynamic, creative and great fun.

You feel this student atmosphere when walking through the beautiful, warm coloured historic centre. Stroll down the narrow, picturesque alleyways, enjoy sitting on the terrace under the plane trees in any of the countless cafés. Experience the dynamic nightlife of Montpellier, in the city that never sleeps.

Admire the city centre, the impressive private mansion houses and beautiful parks. Thanks to its countless art treasures, Montpellier was given the official title of "ville d'art". Many street musicians and artists contribute to the cultural vibrancy.

Montpellier opens out to the Mediterranean Sea like an amphitheatre, onto its endless beaches of fine sand. On the way to the beach, you will go past the "étangs" (salt lagoons) and admire the huge colonies of gorgeous wild pink flamingos.■

Montpellier is ideally located, between Provence, the "Cévennes" mountains, the Camargue and the Pyrenees, which means we can offer you countless possibilities for excursions. Take advantage of our excursion program and admire some UNESCO World heritage sites such as Avignon, the Pont du

Gard, Carcassonne and Nimes. Wine is grown everywhere here. Visit the vineyards and the colourful local markets where you will be seduced by the scent of lavender and rosemary. Taste delicious local products while enjoying the easy laid-back lifestyle in the Southern French sun.

You will love our climate, which is pleasant and mild throughout the year - the sun shines for more than 300 days a year. Summer lasts well into October, which means you can still enjoy a delicious lunch outside on a restaurant terrace until late into the year.■

— The Keys To our Success

There is no mystery or miracle to learning French! With the right preparation together with excellent French teaching methods, anyone can succeed in learning French. At ILA, our aim is to help you improve your French fast by providing you with the tools you need to succeed. Learning French successfully depends on the 8 following factors:

Variety of group levels

ILA places significant importance on making sure each of our students follows the right course to suit their level in French. The increased number of levels guarantees you a place in the right group so that you can improve fast. We offer a minimum of 6 different levels throughout the year according to CERC recommendations.■

Small class sizes

Our classes are like mini groups and we keep numbers to a strict minimum of 10 so as to guarantee you get a place in the right class to suit you. Small classes also mean that your Teacher can create a friendly atmosphere, favouring both student interaction and ensuring individual attention.■

Lively, effective teaching

Our practical and efficient teaching method aims to cover both linguistic and cultural skills whilst developing students' ability to communicate. We favour active oral expression and comprehension without neglecting written French. ■

Wide Range of Activities

Our French Teachers set up role plays, simulation exercises and use a wide range of authentic documents. They create a dynamic and stimulating pace of learning favouring both better concentration and motivation during multimedia activities.■

Competent and enthusiastic teachers

Our caring Teachers do their utmost to help you achieve your language objectives. They are highly qualified and specialized in teaching French as a foreign language. Their experience, energy and relationship skills along with our communication method guarantee efficient teaching in a friendly and studious atmosphere.■

Individual care – Tutoring

You can get an appointment with our educational advisor for help with learning outside the class once lessons are over. She can help pinpoint your needs and draw up

a work program or just recommend French books for self-studying.■

Self-learning

You will improve better if you make sure you study by yourself out of class, which is why your Teacher will give you homework to do every day. These exercises will help you anchor the knowledge gained in class. Furthermore, we have Internet rooms as well as a library where you can work by yourself on activities taken from various websites for language learning.■

Regular assessments

Assessments are an integral part of your French course at ILA. Our Teachers ensure you are assessed on a regular basis. At the end of each cycle, every student is graded by the Teacher or by the CEFR self-assessment grid to acknowledge the student can continue with the next level. At the end of their stay, each student is given a certificate indicating the level they have followed and attendance.■

« ILA's fabulous instructors and supportive staff really know how to put together a comprehensive language and cultural learning experience which is fun. I've been back three times and I hope to return. »

Bram (Holland)

« Organisation at ILA is perfect. The classes are very small and the levels are taken into account properly. It's good because you get to improve fast. I am very happy with the progress I have made. »
