Our history: We've been a family-run school since 1966, contributing to quality English education and immersive social programmes in Bournemouth for 58 years and counting.

Wide range of English courses: We provide a wide range of high quality English courses: including General, Intensive, FCE, CAE, CPE, One-to-One and Junior Courses from age 10 up! We are now accepting 15 year old adults on our General and Intensive courses in low season, and our Cambridge Examination Courses in the summer!

Great location: Situated in a beautiful area in Bournemouth, we offer a safe and friendly environment with easy access to transportation, the local high street, and a stunning multi-award winning beach.

Recognition/Accreditations: We are one of only two IALC schools in Bournemouth, and the only one to host junior students. We are also a member of Quality English, ensuring we maintain the highest of standards of language education.

Fantastic facilities: All 22 classrooms have interactive smartboards, and we ensure a comfortable learning space with air-conditioning in all our rooms. The student cafeteria serves a variety of home-cooked fresh meals, and we have recreational spaces for table tennis and table football.

Caring homestay: We carefully select homestays within a 30-minute walk or a short bus journey, with police-checked hosts and a dedicated welfare officer for student support.
