### Studying with CultureWorks is a smart decision.

Established in 1998, CultureWorks is an EAP school that is located on the campuses of 6 post-secondary institutions in Canada. Through our focus on content-based instruction, integrated skills development, cutting-edge technology, and blended learning, we graduate strong, critical thinking students that possess a complete set of academic skills and are ready to succeed in university and college.

Located in London, Oshawa and Ottawa, academically qualified students are offered **conditional acceptance** by:

**King's University College at Western University | Brescia University College at Western University | Western University  
University of Ontario Institute of Technology | Durham College | Carleton University**

Students have access to all facilities and services on campus while studying at CultureWorks.

### Experience Canada, Prepare to Succeed.

Our program consists of 7 levels. Each level is 8 weeks in duration. Students study the following subjects: Academic Writing, Academic Grammar, Academic Listening and Speaking, Academic Reading, and Independent Study. In Levels 3-7 students can personalize their program by choosing from a variety of elective courses, such as Current Events, Canadian Cultural Studies, IELTS, Business & Management, Engineering & Technology, and Pronunciation & Conversation Circle.
