We aim to go above and beyond for our students offering academic excellence in our English courses and an exceptional student experience.

But don't just take our word for it, hear from our community:

Yamid, Colombia | GENERAL ENGLISH STUDENT IN LONDON

"I was recommended The English Studio by a friend who studied in London 9-years ago.

My agency then confirmed it was a great school and I started my course in August.

I chose the school as I wanted to learn English through shared experiences with other international students.

In my class I found Brazilian, Moroccan, French and Spanish students, all of whom I have learnt a lot from during lessons and in my free time."

Amanda, United States | CERT. TESOL GRADUATE IN DUBLIN (TEACHER TRAINING)

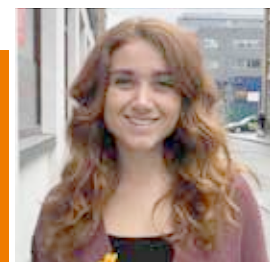

"I came to The English Studio in Dublin after moving here from California.

I took part in the full-time Cert. TESOL Teacher Training course in the beginning of 2019. The trainers that on the course were extremely helpful, enthusiastic, and made the intensive course enjoyable and informational.

Further, they made us feel at home at the school, and gave us whatever tools we needed to get our work done and have successful training as future teachers.

After the course, I felt more than prepared to step into my own classroom as a new ESL Teacher.

I would recommend this school to anyone who is looking to further their ESL teaching careers with knowledgeable, experienced trainers!"

Licia , Italy | IELTS EXAM PREPARATION STUDENT IN LONDON

"I needed to get an IELTS 6.5 for entrance into a UK university.

After checking my options online and reviews from previous students at the school, I discussed with my agent about The English Studio.

I am 2 weeks into my course where I study IELTS in the morning. My teacher is amazing and has really helped me improve my writing, an area I needed to focus.

I also study in class and at our residence with students preparing for IELTS so I am a lot more confident now to achieve at my exam."

Laís, Brazil | ENGLISH FOR BUSINESS STUDENT IN LONDON

"The school is amazing! I had the best teacher, who is so thoughtful and tried to solve any of the students' doubts.

The English for Business course is very focused and helped me a lot with my pronunciation and general knowledge of the English language as well as preparing me with skills for my career.

In addition to the English classes, the social events of the school are great. They have a lot of free activities and vouchers or tickets to events.

All the staff is very kind and helpful, I felt very welcomed by everyone at the school."

Frances, Mexico |

ACADEMIC YEAR STUDENT IN DUBLIN

"The English Studio in Dublin is a great school.

I studied English there for two years. All the teachers were amazing, and taught the course with interesting methods, making for fun classes.

I never had any issues and for all the questions I had the team in student support helped me promptly."

Victor, Spain | YES ENGLISH & ACTIVITIES STUDENT IN LONDON

"I have come to The English Studio for the last 4 years with my mum and sister.

My English is the best in our family, better than my mum's!

I have enjoyed all the activities, making new friends and my teacher.

Our class is also really fun, a lot different to how we learn English in Spain."

FREE CAKE FRIDAY

At The English Studio we love cake quite simply because cake gets people talking.

Whether students are looking to enjoy more cultural traditions, want to catch up at the end of the week or are looking to meet new friends ahead of the weekend, we give free cake to students in their class every Friday, to celebrate their hard work and to get conversations started.

THE ENGLISH STUDIO LIVE

Our students tell us that some of their most memorable moments while studying with us come from being immersed into a new culture.

Through The English Studio LIVE our teachers nominate students they feel are the most hard-working or improved, those that have achieved outstanding results or contributed significantly in the classroom.

Each month, all nominated students are entered into a prize draw and the lucky winner will get the chance to experience a live event in the city. Students in 2019 attended Spice Girls and George Ezra concerts as well as Premiership football and European Rugby games.

OUR SOCIAL PROGRAMME

At the heart of The English Studio's social programme is our desire to give students an opportunity to meet classmates outside of lessons to practise their English, make new friends and most importantly to have fun!

Every week, a schedule of sightseeing, cultural and leisure activities is organised so there's something for everyone to take part in and enjoy. We know that many of our students are managing a limited budget, so our informed and experienced staff will seek out the best activities for day or night that are completely free or suit any pocket.

Check our example weeks from London and Dublin on [pages 12 and 13](#) to see what students can look forward to enjoying outside the classroom.

Agents often ask me – “what makes you different from other central London schools?” For me it’s easy; our people! Everyone has a real passion for helping others achieve their goals. Our can-do approach is conveyed to our students, so from staff rooms to classrooms we develop a community of people that inspire one another. Our energy isn’t confined to the school, we’re fanatical about our city too. There’s nothing that gives us more pleasure than sharing our knowledge of this amazing place with students.

Students will enjoy the energy and excitement of London as soon as they arrive. Whatever they are looking to experience during their studies, they will find it in this fantastic city; from museums and art galleries to music concerts and sports events. And for those after a slower pace of life at the weekend, traditional English villages, historic cities and seaside towns are just a short journey by train.

There are many things to do and see for free or on a budget in London.

Those interested in seeing life at a traditional English university city can visit Oxford or Cambridge for the day. Or for fans of fictional books and the big screen — Hogwarts at the Harry Potter Studio Tour located in Watford near to London.

So, what do I like most about Dublin? For me, it's that you are free to be yourself and be different. At The English Studio, we welcome and embrace our differences as it is these differences that create our unique culture and environment for our staff and students. No matter who you are or what your interests are, there's something for everyone in Dublin whether you like live music, sport, theatre or art. And there's a variety of festivals and celebrations throughout the year too.

Dublin offers the culture, cuisine and modern luxuries that our students would expect from a cosmopolitan city whilst retaining the famous Irish charm that brings visitors back each year. And Ireland has many sights to visit all accessible from the city.

With foods from around the world, you can choose from eating experiences that range from traditional Irish restaurants to the buzzing atmosphere of tapas. For the weekend, students will find a variety of beautiful and historic places to visit outside the city such as the Cliffs of Moher, Glendalough, and even take a trip to Northern Ireland to visit Belfast and the Giant's Causeway.

Adult Courses

The English Studio provides students with a world-class language exchange experience. We recognise that learning is a lifelong journey and that each student who studies with us is on their own individual language-learning path.

Whether taking a General or Business English course or preparing for an exam, we want our students to enjoy learning English as much as we enjoy teaching it and feel supported by our passionate, ambitious group of teachers and support staff.

The English Studio values real-life communication and we use this as our guiding principle in delivering courses and lessons based on useful language relevant to the needs of our students. We emphasise that learning a language is about what students can do, rather than what they know.

The IELTS Exam Preparation course is one of our most popular options. Our teachers have helped many students achieve the IELTS score they needed. In recent years taking the IELTS exam has become one of the most popular methods to gain access to UK and Irish university courses for second language speakers. Classes give trainees an introduction to the theory and practice of contemporary English teaching and an insight into the challenges facing both learner and teacher.

Our course provides six hours of teaching practice following which our experienced tutors will give trainees detailed, constructive feedback. At the end of the course they will graduate with a Trinity Cert. TESOL Certificate, qualifying them to teach English anywhere in the world.

The full-time teacher training course provides a high-quality and affordable intensive 4-week programme with experienced trainers. In our Dublin school, we also offer a more flexible study option allowing students to study part-time to better fit their schedule over 12 weeks.

The course is fully accredited by Trinity College London, which guarantees that the standard of training meets Trinity College London's high standards.

The TESOL Certificate (Teaching English to Students of Other Languages) is one of the most widely recognised teaching qualifications and for many people is the first step in their teaching career. YES Junior Courses

We have been running successful young learner summer schools for over 10 years. Our Young English Studio (YES) courses help students between the ages of 8* and 17 to improve their English and have a lot of fun along the way.

For summer 2020 we are excited to continue our city-centre summer school in London, and for the launch of our new all-inclusive, residential Summer School in Gormanston, Ireland, just 40 minutes from Dublin city centre.

Specially designed YES English courses are suited to learners of varying ages and abilities. And whether studying in the UK or Ireland, our courses, combining communicative English language learning with sporting

and cultural activity programmes, remain the number one choice for junior students and their parents or guardians. YES courses are the best option for younger learners. Delivered in a dedicated summer school centre, the options include courses with a specially designed syllabus, healthy meals, afternoon activities and safe and comfortable accommodation if required.

*Students from 8 to 17 in London and from 11 to 17 in Ireland.

Ray Walker | ACADEMIC MANAGER, THE ENGLISH STUDIO LONDON

It's always a delight to have our young students at The English Studio during the summer months. This is the perfect age for them to start learning English or to continue their studies from back home for a few extra weeks. Both in class and out on excursions students always have a huge amount of fun as they quickly make friends with classmates from around the world. I'm sure each student leaves with a group of pen pals to keep in touch with and continue on their English learning journey.

YES General and Intensive English (London only)

YES General English

Suitable for learners from beginner to advanced levels, our YES General English course, with 15 hours tuition a week, gives students the opportunity to improve their English, practising in a multinational class what they may not learn at school in their home country.

For students aged 8 to 17, the course helps develop each child's communication skills, with an emphasis on speaking, pronunciation and listening.

All students take an English level test before arriving so that they can enjoy their classes from day one by being placed according to their age and ability. During lessons, students get practice using relevant English that's useful outside the classroom, and at the end of the course they will receive a YES Certificate and an End of Course Report to show their parents and teachers back home.

YES Intensive English

Combined with General English classes, students have one hour each day dedicated to practising conversation and pronunciation with their teacher and classmates. The YES Intensive English course in London is for students aged 8 to 17.

Our young students develop their fluency in conversational English and receive feedback and correction within class. During this one-hour elective class the students learn English which they can directly put into practice outside the classroom.

Stefania, Italy | FAMILY COURSE

My 9 year old daughter Elda and I booked our courses at The English Studio because I found the central location very convenient - just out of the tube, near to the British Museum and at the very heart of London - and because I read online convincing reviews about the teaching. Elda and I attended the morning classes; she was in a small group of students of her age and equal level, and I studied in the advanced group of adults. It is not easy to find a school that satisfies the different learning and social needs and expectations of a family but The English Studio has proved an ideal solution for a parent-and-child study holiday.

YES Residential Summer School (Ireland only)

A new addition to our Young English Studio courses for 2020, we are excited to launch the YES Residential Summer School in Gormanston, County Meath, Ireland.

Sehanur, Turkey | STUDENT RESIDENCE

Staying in the Student Residence is the most beautiful adventure in my life. I had the opportunity to meet a lot of people from different parts of the world which is an amazing experience for me. People who live in the Student Residence are polite, kind and very helpful. Also, the location is quite nice. Kentish Town is really peaceful, with many tourists. I enjoyed every minute of it and maybe one day I'll come back here.

We have helped thousands of students find places to stay during their course. They can rely on us to help find the right option to meet their requirements and budget.

Student Residences

By far the most popular choice for all our adult students, our Student Residences are a good option for those who like a little more independence.

Students share a large house with others from the school in a central location. They have the freedom to discover not only the English language but the city and culture, local community and night-life.

Our Student Residences offer communal areas where students may find themselves cooking cuisines from all over the world, talking about some of their fantastic experiences in the city or making plans for weekend trips away.

With no extra bills, WiFi and bed linen included as well as cleaning of communal areas; this is the smart option for many students.

Homestays

Living with a host family is a great way for students to practise their English. All our hosts speak English as a first or second language, so students can apply what they learn in English lessons by talking to their host family.

Hosts are recruited, trained and supported by our accommodation partners to make sure high standards of care are given to each and every student. The English Studio's team is also available to offer support to students during their stay.

Students can choose the combination of services to best fit their needs — we offer self-catering, bed and breakfast and half-board meal plans and either single or twin rooms.

Studios

We provide access to high standard Studio accommodation that is purpose-built for students, which offer a great place to study and make friends.

Students have access to communal areas with comfortable furniture and televisions, as well as quieter spaces to study or read. Each Studio room is equipped with a bed, storage, an en-suite shower room and toilet, and either a kitchenette or access to a shared kitchen.

All Studios have modern appliances, free WiFi access and room options to suit different needs.

"The English Studio really makes a difference!

Exciting experience both in London and Dublin for a group study holidays (students aged 12-16). They are really a competent and committed team.

This year my group was in Dublin. The participants were very happy with the course. Special thanks to the centre manager for their professionalism, support and patience with our guys. All the teachers were brilliant and proposed a lot of engaging and motivating activities which the students really enjoyed! The Activity Leaders were always smiling and helpful, the atmosphere was wonderful."

FAQs

When do payment of all course fees need to be made?

Full payment of all enrolment fees must be made prior to the course start date. Full payment is also required before the school is able to issue visa support paperwork for all non-EEA students.

What happens if a student's visa is refused?

Refunds in the case of visa refusals will be made upon receipt of relevant documentation and completion of the refund process detailed in section 5 of our terms and conditions. A 100 £/€ admin fee is applied to course cancellations due to visa refusals. Visa delivery (if applicable), enrolment and accommodation finding fees are non-refundable.

How do I check the visa requirements of students travelling to London or Dublin?

The UK and Irish government websites are a great resource; www.gov.uk/check-uk-visa and www.inis.gov.ie/en/INIS/Pages/check-irish-visa respectively. Courses from The English Studio in Dublin that are listed on The ILEP (The Interim List of Eligible Programmes) are appropriate for Stamp 2 Visa/academic year students.

How many students are in each class?

Maximum class sizes for London and Dublin vary. In London there is a maximum of 22 students per-class, average of 16. In Dublin there is a maximum of 15 students per-class, average of 12, due to restrictions enforced by the accrediting body, ACELS.

What social activities are provided free of charge?

We aim to provide as many free social activities as possible, starting with our local orientation walk! Further details of the social programmes can be found on pages 11 - 13.

When can students start their course?

We welcome students every Monday of the year with the exception of public holidays listed in section 11 of our terms and conditions. Our Dublin school operates 4 mid/end-of-course examination weeks, during which times we are unable to enrol short-term students.

What is the minimum age for adult courses?

16 years old. Please note that 16- and 17-year-old students enrolled on an adult course are unsupervised outside of lesson times, the school will need to be in receipt of a parental consent form and, for safeguarding reasons, students will need to be accommodated in half-board homestay provided by The English Studio and book a return transfer to/from homestay accommodation.

Are all course materials provided?

For adult courses, materials are payable separately. Students should do so prior to travelling however, course books can be purchased on arrival. Course books are a requirement for all courses.

FAQs
