Bespoke corporate training

Your training partner for all your English and communications needs

Whether you need immersion training in closed groups at our schools, in-company training where you are located, individual and group training or virtual and online English, we can support you.

We have over 100 years of experience in providing training to renowned international corporations and public sector organisations.

If you work across borders and cultures we can help you to develop the skills to build successful relationships, avoid making mistakes and maximise the benefits of working internationally.

We design and deliver customised training based on your unique needs and offer a full range of flexible learning solutions, for example:

- Global leadership development
- Intercultural assessment and training
- Online English language testing and recommendations
- English language training
- International communication and negotiations skills
- Virtual team training

Corporate client testimonial quotes:

"We've delivered and proved a training model that works well which we can now implement where needed with confidence."
Simon Youngs, Group Head of Talent & Learning, Coats

"This was our first interactive virtual training and I thought it was excellent, pitched at the right level and our trainer took time to listen, observe and interact with the group. I've had really positive feedback from attendees as well. Thoroughly enjoyed it!"
Minda Long, Service Centre Director, Coats

Trustpilot Excellent 9.5/10

Based on 760 reviews

The highest ranked English language school on Trustpilot as of August 2018

I spent one week in The London School of English. Everything was perfectly organized from beginning to end. Very professional teachers. Successful and intense training and to meet also students from around the world. This week has really allowed me to progress.
Jean-Pierre, June 2018

I really enjoyed my time at The London School of English. The teachers were amazing! They used a variety of teaching methods and different activities during the lessons to make learning more fun. This helped me to improve my English a lot! I also enjoyed the social programmes after class and the atmosphere in the school. During my time at The London School of English, I made really good friends from all over the world.
Julia, May 2018
