

Dear Partners,

We have a special offer for Turkish students starting courses between 02 January and 26 March 2018.

Book a standard course and upgrade to intensive free of charge. All students booking 24 lessons are entitled to a free upgrade to 28 lessons per week. Or those who book an intensive course will only be charged for a standard one. This is a saving of between £46 and £50 per week.

This offer will apply to new bookings only.
