Social and Cultural Activities

We will arrange visits and excursions to places of interest and you will have free time to spend as you choose. You will be able to practise your Spanish everyday in real-life situations with your teacher and your teacher's family and friends. This is the natural way to learn Spanish and to gain confidence in using the language.

66 *Totally immersing yourself in the Spanish culture is definitely the best way to learn.* **99**

66 My teacher welcomed me into her home like a member of their family; the lessons and the atmosphere were perfect! 99

Lessons

The lessons will consist of a range of all skills (reading, writing, listening, speaking, vocabulary, grammar and pronunciation) and culture according to your language learning needs.

Usually the tuition is in the morning, leaving the afternoons and evenings free for activities, visits and excursions or private study. At the beginning of the course, the teacher will assess your level of Spanish and requirements, and plan a programme of study.

You will be assessed again at the end of the course to record progress. A full report of lesson content, achievement and recommendations for future study will be sent to you after the end of the course, as well as your certificate. The great advantage of this programme is that you live in the home of your teacher, so that learning doesn't stop at the end of the lesson. In every conversation your teacher is helping you to speak Spanish – finding the right words and correcting grammar and pronunciation.

Family Time

Time spent with your family during meals and evenings is a good opportunity for you to practise your spoken Spanish and to use the language you have studied in the lessons.

You can learn as much during these times as you do in your lessons! Living with your teacher also gives you a unique opportunity to experience and learn about Spanish culture and way of life.

66 I have just returned from Seville after a week of learning with Living Learning Spanish.

It was fantastic - total immersion with a lovely host and excellent teacher. My Spanish has improved incredibly (from a pretty low starting point I have to say!). 99

66 You can choose
from a huge range
of local excursions
and activities. 99

Our towns and cities have excellent shopping centres, palaces, monasteries, tourist attractions and traditional tapas bars. Spain is famous for its many magnificent historical sites and traditions. There are special events during most of the year along the country.

Your excursions and trips will be planned at the start of the course with your teacher according to your individual interests. The teacher will accompany you on two half-day or evening local excursions per week (one week courses) and one day trip at weekend (courses of two weeks or longer). You can state on the booking form which activities you would prefer and we can then advise on cost and availability.

Excursion Fees: Adults should pay all entrance fees to museums and travel by public transport etc. including fees for your teacher. Young Learner courses are fully inclusive of all costs for local activities and excursions. If Young Learners on 1:1 courses wish to book excursions to large attractions e.g. theme parks, visits to Madrid or extra lessons such as golf, tennis or horse-riding, then extra fees are payable in advance to cover the extra cost for teacher and student.

“My trip was a perfect combination of learning the language and a cultural journey that allowed me to meet new places, new customs and new people.”

Travel

If you are a fairly confident traveller, it is easy to get from the airport to the teacher's home by bus or train. We can provide the travel information for all locations.

Airport Transfers: If you require a personal airport transfer, we can arrange this with either your teacher or one of our highly trusted taxi drivers – the cost will be advised at the time of booking and is dependent upon the distance from the airport to the teacher's home.

Arrival at your teacher's home should be scheduled for Sunday afternoon/evening (3pm to 10 pm) and departure on Saturday morning (9 am to 1 pm).

Transfers can be arranged for flights arriving/departing during these times. Any flights outside these times will incur an additional charge or we may recommend a hotel stay prior to arriving at or departing from your teacher's home.

Please note that all Young Learners are required to book a transfer service with Living Learning Spanish.

66 Thank you LLS for this
unforgettable experience! 99

Lessons can focus on the Spanish needed at school, General Spanish or Spanish for Exams. This course is fully inclusive of all costs for local excursions and activities, the only money needed is personal spending money.

We take care of your child

You want the very best for your child and so do we. We understand your worries about sending your child to Spain, especially for the first time. We assure you that our first priority is looking after your child who will flourish by living and studying with one of our carefully chosen teachers.

We are dedicated to ensuring that the children in our care make rapid progress in Spanish and also enjoy an unforgettable experience in a safe, homely, fully supervised environment.

All Living Learning Spanish teachers are experienced, professional and qualified and have been thoroughly investigated by us. Living Learning Spanish has fully comprehensive safeguarding policies in place.

Young Learners under 14

In addition to Spanish tuition and the usual LLS excursion programme, Young Learners aged 10 to 13 have daily activities in the home such as baking, crafts or projects to ensure their time is fully supervised by the teacher.

These daily activities are included in the course fees for students aged 10 to 13 but may also be purchased as an additional package for students aged 14 to 17 on Young Learners 1:1 courses.

66 My homestay was brilliant and me and my sister really enjoyed our lessons. We got on very well with our teacher and hope to come back in the future! 99

Young Learners 2:1 - two students with one teacher

Come with your partner - this is an excellent opportunity to share your course studying together with a friend or member of your family.

This course is suitable for Young Learners aged 10 to 17.

Spanish Level: you and your partner need to have the same level of Spanish and learning objectives.

- 15 hours 2:1 Spanish tuition per week
- three excursions per week with your teacher
- afternoon activities with your partner
- all local excursions and activities included in the fees

Students on a 2:1 course may share a bedroom with their partner.

Spanish for Teachers

66 My teacher adapted the material and pace to match my progress – which was more rapid than I had expected. The hospitality could not be faulted and dinner table discussions were a great extension of my lessons! 99

An advanced course

this is an advanced course for teachers of Spanish who need a refresher course to brush-up communication skills, vocabulary and use of Spanish for the classroom. The course will be with an experienced Spanish teacher who will use a wide range of authentic materials to extend your range of idioms, expressions and

language skills. You can fine-tune pronunciation and discuss topical issues with the teacher and family. The 'Spanish for Teachers' course is extremely flexible and is tailored to meet individual requirements. You decide when you want to come, how long you would like to stay, and the number of hours of tuition per week – 15, 20, 25 or 30.

Spanish for Parent and Child

Enjoy a study course together

This is a General Spanish course specially designed for a parent and child who want to enjoy a study holiday together. You can either study Spanish separately (1:1 course) or together if you have the same level of Spanish and learning objectives (2:1 course). We recommend 15 or 20 hours tuition per week in total and these

may be shared lessons or divided between parent and child. The minimum age we can accept a child for tuition is seven. If your child is under seven then they may come as an accompanying child without tuition. In some locations we have two teachers available for 1:1 lessons for parent and child at the same time.

It was great to be able to travel and study together with my daughter.

Spanish Plus

Enjoy a study holiday

A Spanish Plus course is specially designed for those who want to enjoy a study holiday. You can choose from a wide range of activities:

Guided sightseeing; walking (in the countryside, by the sea or in the mountains); art and museum visits; cookery; Spanish tapas tasting; visits to vineyards; flamenco dancing; Spanish guitar playing; pottery courses and many more!

Mix and match

Course Structure: on a Spanish Plus course, you choose the number of Spanish lessons and the number of

activity lessons per week in blocks of three hours. You can mix and match the number of blocks and even combine courses, for example you can do Spanish plus cooking for one week and Spanish plus sightseeing course the next week.

Created around you

The minimum number of blocks on a one-week course is seven. If you have an interest or hobby not mentioned here, please ask us – our teachers have a wide range of interests and talents and we are happy to design an individual course for you!

Courses are 1:1 or 2:1 so you can come on your own or with a partner, friend or family member. Please note that course fees include your teacher's time and full board and accommodation in your teacher's home, but excludes all entrance fees and tickets to museums, etc. for the student and teacher which must be paid by the student on Adults courses.

66 *Everything I did from the adventurous hikes to conversations with the family will always be a wonderful memory. 99*

A photograph of a narrow, sunlit street in a Spanish town. The buildings are white with traditional tiled roofs. Numerous red geranium flowers in blue pots hang from the windowsills and balconies. In the foreground, a man and a woman walk away from the camera down the street. The man wears a white t-shirt, dark shorts, and a red backpack. The woman wears a light blue sleeveless top, dark shorts, and a blue backpack. They are both wearing flip-flops. A black metal railing runs along the right side of the street.

66 Undoubtedly for me,
this is the best way to improve
your Spanish. 99

A Wide Variety of Locations

You can choose to study with a teacher in the city, in the countryside or by the sea.

We can offer courses in major cities such as Sevilla, Málaga, in the capital city of Madrid, in coastal locations in Cádiz, Málaga and Valencia and near the mountains in Granada. There are also locations such as Bilbao, Asturias and the Balearic and Canary Islands.

We also offer courses in Barcelona. Please note that the spoken dialect in Cataluña is Catalán so we cannot guarantee that you will practice your Spanish outside the teachers home when going to shops and restaurants as the locals normally speak Catalán. Please state your preferred location on the booking form or let us advise you of the most suitable teacher and location according to your preferences.

66 *Immerse yourself in Spanish. 99*

10 Effects of Cancellation

- 10.1 Subject to clause 10.5, if you are a consumer and you cancel the Contract pursuant to the cancellation rights under clause 9 we will reimburse to you all payments received from you.
- 10.2 We will make the reimbursement without undue delay, and not later than 14 days after the day on which We are informed about your decision to cancel the Contract.
- 10.3 We will make the reimbursement using the same means of payment as you used to pay the Course Fee, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of the reimbursement.
- 10.4 We will not be liable for any loss arising as a result of reimbursements that are subject to a currency exchange performed by your bank when processing the reimbursement.

- 10.5 If you expressly requested Us to begin the performance of Services within the cancellation period and you subsequently cancel the Contract pursuant to clause 9 prior to full performance of the Services, you shall pay Us an amount for the provision of the Services for the period for which they are supplied until the time when you inform us

of your decision to cancel, which is in proportion to what has been performed in comparison with the full coverage of the Contract.

- 10.6 Subject to clause 9.1, clause 9.5 and clause 10.5, if you cancel your Booking before the final balance is due (four weeks before the course start date) you will lose your Deposit. After this time, the following fees are payable to Us:

- 10.6.1 between 28 and 15 days of the start of the course: 80% of the total Course Fee;
- 10.6.2 within 14 days of the start of the course: 100% of the total Course Fee. The Course Fee shall not be refundable in whole or in part if a student arrives late or leaves before the end of their course.

11 Our Rights to Cancel

- 11.1 We may have to cancel the Contract before the start date for the Services, due to an Event Outside Our Control or the unavailability of key personnel or key materials without which We cannot provide the Services. We will promptly contact you if this happens.
- 11.2 If We have to cancel the Contract under clause 11.1 then We will refund you your Deposit (and the Course Fee if this has been paid prior to Our cancellation).
- 11.3 Once We have begun to provide the Services to you, We may cancel the Contract at any time by providing you with at least 14 calendar days' notice in writing. If you have made any payment in advance for Services that have not been provided to you, We will refund these amounts to you.
- 11.4 You shall be expected to follow reasonable rules of conduct set by your teacher. If We find that you are in breach of those rules of conduct then We reserve the right to cancel the Contract.
- 11.5 We may cancel the contract for Services at any time with immediate effect by giving you written notice if you break the Contract in a material way and you do not correct or fix the situation within seven calendar days of Us asking you to in writing.

66 We recently sent two of our children to Spain with LLE Spanish programme and were very satisfied. Most importantly, they were looked after beautifully by their host families and we felt they were safe in their care. The teaching was of a high standard too.

The experience of just one week in Spain inspired our son to continue to A level. We would highly recommend LLE to others both for results and peace of mind. 99
