You may have the opportunity to work with other students to plan a fundraising project from start to finish for our partner charity, United World Schools. Some of the events that our Lions have organized are; a live auction, a 5km fun run, a casino night, a fashion show and much more.

We help you understand the world community and give you the skills and confidence to make a difference.

GRADUATION

We hold graduation ceremonies in all of our schools every Friday to say goodbye to any students leaving that week. Although it's difficult saying goodbye, it also gives us a wonderful opportunity to celebrate the students' time and achievements, and an opportunity for the whole school to come together as one to wish them good luck on their way to their next adventure!

WECARE

STUDENT SAFETY HAS ALWAYS BEEN A PRIORITY AT STAFFORD HOUSE AND WE UNDERSTAND THAT IT IS EVEN MORE IMPORTANT NOW. WE HAVE BEEN HARD AT WORK TO MAKE CERTAIN THAT WE ARE EQUIPPED TO RUN OUR COURSES IN A SAFE AND SECURE ENVIRONMENT.

OUR PLEDGE

To make our school communities as safe as possible we have implemented our WeCare pledge. This set of stringent health and safety guidelines will ensure that our students can fully enjoy their experience with us while being confident that they are in the safest possible environment.

We have put in place a number of practical procedures that will help protect our students from the moment they arrive at their destination of choice.

YOUR ARRIVAL

If requested we will provide students with a safe transfer from the airport. Our drivers have received COVID-19 health and safety training and all vehicles will be fully sanitized prior to pickup to ensure student safety.

We have implemented daily temperature checks using infrared technology at all of our schools for both staff and students and everyone will receive a care kit on arrival which will include facemasks and 70 % + alcohol hand sanitiser gel. Hand sanitiser gel will be freely available throughout our schools and students will be shown where they can find it at induction and encouraged to use it frequently.

STUDENT SERVICES TEAM

Our on-site student services team will monitor the wellbeing of our students. They have long-established relationships with local doctors and healthcare advisers, which are based at medical practices within a short distance of each school.

Students will receive a health and safety briefing during their first day induction and all our staff are fully trained in relation to COVID-19. Everyone will be required to wear masks.

YOUR SCHOOL

To create a safe and productive school environment class sizes have been reduced, classroom seating has been adjusted, timetables and breaktimes have been staggered and the flow of students through our schools have been managed to maintain safe social distancing.

All schools have implemented an increased cleaning regime, with classrooms and communal areas undergoing cleaning during the course of the school day. We now limit outside visitors to our schools and accommodation and there are special procedures for deliveries.

We know that a rich part of the Stafford House experience is taking part in our extensive activities and excursions programme. To maintain this, each has undergone a thorough risk assessment and where necessary we offer an online alternative.

GOVERNMENT GUIDELINES

We appreciate that government guidance around COVID-19 is constantly changing and evolving and we will adhere closely to the guidelines set out in England and Canada.

QUARANTINE

If quarantine measures are required at any time, we will facilitate students to isolate safely in their accommodation and assist with making them comfortable.

We will provide an online induction before face-to-face classes and activities begin, giving students the opportunity to learn more about the school and start making friends.

STUDENT CARE

If students display symptoms of COVID-19, we will isolate them safely in their accommodation, so they can continue their studies online until they are ready to return to class. We will assist with local healthcare appointments.

ALWAYS ONLINE

At Stafford House we have developed a robust online offering allowing us to adapt quickly and efficiently should any circumstances change. This means that our students won't miss a beat in their studies and can be confident in achieving their English goals!

STUDENT WELFARE

Our friendly, professional and well-trained teams of Student Services Officers are onsite to ensure that our students are supported in all aspects of school life. They will be on hand to provide help with our new school hygiene procedures, take students' temperatures, supply masks where needed and will be able to assist if a student requires a visit to the nurse or doctor's appointment.

They are always available to make life easier for our students, provide up-to-date information and assist with any queries or problems.

One of our most popular accommodation options, homestay allows you to integrate into local life and practise your English language outside the classroom, over dinner and throughout the weekend with your welcoming hosts. This is a unique way to live and study at your chosen destination.

SUPERIOR HOMESTAY (UK ONLY)

This option offers you all the benefits of homestay, but with the comfort and convenience of a personal bathroom and a higher standard of accommodation.

PRIVATE OPTIONS

A HELPING HAND

Every school has a dedicated Student Services Team, whose job it is to aid students with any accommodation issues or queries they may have. We know how important the living environment can be to productivity and will assist in helping our students find the accommodation that is perfect for them.

STEP INTO YOUR SCHOOL OF CHOICE BEFORE YOU ARRIVE

OUR ONLINE PORTAL - SYMBA

We have developed our own online student portal to provide on-demand student support. Symba is available for all students to access before they arrive to study, whilst they are studying and after they depart.

Before students arrive to study Symba allows students to manage their arrival details, helping us provide a great start to their journey. Whilst they are studying, students can interact with the online portal to obtain the most up to date student news in their school and from the other schools at Stafford House. After students complete their course they can still access the portal and download certificates, reports or assessments.

The student portal allows us to deliver enhanced and efficient customer service through improved communications, greater student visibility and effective recording of student feedback. The online portal also allows our staff to give the best possible care to our students and allows for open communication between the students and staff. We continuously upgrade the portal to ensure we are giving our students the best possible experience on their journey!

SYMBA FOR STUDENTS

Students can instantly access their attendance, class schedule, view their results, and have access to their personal documents. This means the students are in control, empowering them on their journey from the minute they enrol with us. Symba allows students to view the live social programme at their school and even sign up online to activities, events and excursions! This means students can start planning before they arrive to make the most out of their stay with us!

STUDENTS CAN USE SYMBA TO:

- Track attendance and test results
- Change class schedules

- Sign up for activities and excursions
- Access instant advice on welfare questions
- Read school news
- See staff profiles and learn about our team
- Get study advice
- Learn about their city's attractions, events, housing and health resources

We believe having our own dedicated platform helps us enhance our students journey from beginning to end. The visibility of information afforded students helps to create an efficient and reactive study environment and promotes a community atmosphere in school with both students and staff. Symba is part of our continuous development project here at Stafford House!

GENERAL ENGLISH

- WHAT ARE YOUR LANGUAGE LEARNING GOALS?
- DO YOU NEED ENGLISH FOR TRAVEL?
- DO YOU NEED ENGLISH FOR BUSINESS?
- ARE YOU GOING TO STUDY IN AN ENGLISH SPEAKING UNIVERSITY?
- DO YOU NEED TO PASS AN ENGLISH EXAM?

WHAT ARE YOUR
LEARNING GOALS?

OBJECTIVES

Our core General English class is an integrated skills class, covering reading, writing, speaking, listening, grammar and vocabulary. Our focus is on developing students' English skills for real communication. Our General English programme is truly interactive and engaging – much more than just a series of grammar rules and exercises with the answers in the back of the book.

How much your English improves depends on how much you practise and study. Going to class, completing homework, doing private study, and taking part in our exciting social programme as much as possible will help you achieve your goals as quickly as possible, while having fun!

FLEXIBILITY

Study for 20, 25 or 30 lessons per week! Choose from our range of modules to personalise your programme to fit your needs.

HOW YOU LEARN

Our teachers use a range of techniques that keep students motivated and build confidence. Any weekly programme is influenced not only by the coursebook and syllabus but also by the individual learning goals and interests of the students.

PLACEMENT TEST

On or before your first day you will be given a language test, to assess your knowledge of grammar and vocabulary and how well you are able to understand and speak English, so we can put you in the right class.

MONTHLY TUTORIALS

Every month you'll have a one-to-one tutorial with senior academic staff, where you can review course choices and learning methods, and make sure you are on track to reach your goals and fulfil your potential.

QUALITY ASSURANCE

All schools are fully accredited by their respective national accrediting bodies, and our teams constantly work hard to maintain high academic standards. Our Directors of Studies ensure that our programmes are of a high quality, that our classes have a broad nationality mix, and that our teachers take part in ongoing professional development.

MAKING PROGRESS

From the first day, students make progress in English by using the language in meaningful ways. New language is practised and mastered in the classroom, enabling students to communicate outside of school more confidently, accurately, and effectively. Our teachers act as coaches and facilitators, clarifying concepts, correcting errors in students' speaking and writing, and pushing everyone to participate to the maximum of their ability.

DEVELOP YOUR ENGLISH

Each week you will be encouraged to consider your own development and suggest areas that will help you develop most quickly. Your teacher will take your suggestions and use them with the syllabus to create lessons for your class that work for you.

OUR GENERAL ENGLISH COURSES:

- Focus on developing practical and functional skills, rather than just learning grammar or vocabulary.
- Engage students in practical tasks that relate to or simulate real-world English.
- Prioritise meaningful, communicative language over traditional exercises.
- Support a skills-based approach through ongoing assessments and tests.
- Encourage students to develop an awareness of their own strengths and weaknesses.
- Encourage students to reflect on their own progress and set goals for their improvement.

CAMBRIDGE EXAM PREPARATION

THE CAMBRIDGE SUITE OF EXAMS, PART OF THE UNIVERSITY OF CAMBRIDGE, ARE BASED ON DECADES OF UNRIVALLED RESEARCH IN ENGLISH LANGUAGE LEARNING, TEACHING AND ASSESSMENT.

They are recognised globally by schools, universities and employers and never expire (so you don't have to take them again in two years' time).

Unlike IELTS, the Cambridge Suite exams are proficiency tests. This means that you must take the right test for your level. Because of this, the preparation you do for these exams really helps you improve your English, as it is aimed specifically at your level.

Stafford House is an approved testing centre for Cambridge Suite exams at all of our UK centres. This means you can book and take your exams in the same place you have your lessons, which should reduce exam anxiety and help you perform better.

CAMBRIDGE ENGLISH FIRST / B2 FIRST

This is the most popular exam in the Cambridge Suite, and it demonstrates that you can use everyday written and spoken English independently for work or study purposes.

CAMBRIDGE ENGLISH ADVANCED / C1 ADVANCED

This advanced level exam is accepted by more than 6000 education institutions, employers and government departments world wide. It shows you have reached a high level of English.

CAMBRIDGE ENGLISH PROFICIENCY / C2 PROFICIENCY

This qualification demonstrates that you have mastered the English language and speak it exceptionally well, with high levels of fluency and sophistication.

OUR GLOBAL COMMUNITY

STAFFORD HOUSE IS PROUD TO SUPPORT ORGANISATIONS THAT HELP LESS PRIVILEGED, MARGINALISED AND VULNERABLE PEOPLE ACROSS OUR GLOBAL COMMUNITY GAIN ACCESS TO EDUCATION.

We believe education is a right for all and currently support the inspiring work of United World Schools, by raising funds for the running of the Ngang Som Thom school in Cambodia. We also support the vital work done by RefuAid by providing English courses to refugees and asylum-seekers in the UK.

OUR WORK WITH UWS

Since partnering with UWS our staff and students have consistently exceeded raising the funds needed to cover the running costs of our sponsored school. We've sent employees from across our centres to visit the Ngang Som Thom school twice, where they helped to teach lessons, got to know the students, and learnt all about the important work UWS undertakes in a country where many children are beyond the reach of the education system.

We plan to send more employees to Cambodia to teach the students, aid the teachers and learn just how valuable education is for all peoples across the globe.

REFUAID

In our London school we have partnered with RefuAid by providing English scholarships for refugees who find themselves in need. So far in our collaboration we have helped inspirational individuals from Syria, Sudan, Darfur and other countries they have been forced to flee, and those students have gone on to BA or MA programmes at UK Universities. It's a partnership that enriches the life of the school, and we are very proud to be able to provide this support to these incredible individuals. By supporting displaced peoples in this way, we not only give them help with their education but also welcome them into our country and into our school communities.

OUR SCHOOL FUNDRAISING EFFORTS:

Here are just a few of the many fundraising events we've held at our schools.

JUST A TRIM

Three of our centre directors have been brave enough to have their heads completely shaven to raise money for our charities!

RECIPE FOR SUCCESS

Our students and staff have held numerous bake sales, bake-offs and cooking competitions to share their national dishes and raise money at the same time.

RUN FOR YOUR MONEY

We have held numerous runs, races and walks for students and staff to join in with and get healthy as they help out.

NO MOUNTAIN HIGH ENOUGH

Some of our teachers have even climbed Mount Snowdon in Wales in an effort to raise money for UWS and other charities.

TAILORED GROUPS

WE DELIVER TAILOR-MADE PACKAGE PROGRAMMES TO GROUPS OF STUDENTS THROUGHOUT THE YEAR, DESIGNING THE PROGRAMME TO ADAPT TO THE NEEDS AND INTERESTS OF EACH GROUP.

TAILORED TO YOUR NEEDS

Whether your group is looking for specialised course content for academic, cultural or professional purposes, we work with you to understand your requirements and objectives, and use that understanding to design a highly effective teaching programme. We welcome groups from a variety of backgrounds and professions, from university students and business executives, to nurses, pilots and teachers. All of our group students share the same teaching facilities as our year round students.

BESPOKE ACTIVITIES

Alongside the course content, we can offer a bespoke calendar of cultural and social activities, meal plans with specific dietary requirements and assistance with particular travel arrangements and accommodation types, ensuring that every aspect of your experience is tailored to your needs and expectations.

Our UK centres can provide group programmes in closed classes for students aged 12+, except in London where the minimum age for groups is 14.

COURSES WE'VE RUN:

Teacher training courses for teachers from all over the world, which include "refresher" General English classes plus "teaching methodology" input sessions.

A two-week Harry Potter themed course, with classes in the mornings followed by Harry Potter-themed Blue Badge guided walks in the afternoons. The highlight of this trip was the visit to Warner Brothers' Studios and the premiere of a new Harry Potter movie.

An exam preparation course for Trinity GESE, Cambridge CAE and IELTS preparation.

A customised technology and startup company experience, including a digital marketing module in the morning with afternoons including various events and tours. This course included visits to the offices of local companies and attending a networking event for 'Angel Investors'.

JUNIOR GROUPS AND INDIVIDUALS

Stafford House Study Holidays provides high quality English and activity courses for young learners. We enjoy a reputation for providing effective language lessons and running well-organised activities and excursions, in safe and friendly environments throughout the UK, Canada and USA.

We give equal importance to both the academic and leisure parts of the programme and encourage students to use the English language rather than to 'learn about it'.
