REFUND, TRANSFER & ADMISSIONS POLICIES - HAWAII

GENERAL REFUND POLICY

1. In this policy, the word “program” refers to the full cycle of studies to which the student registered. Extensions of studies will be treated separately.
2. To be considered for a refund, a student or agent can submit a completed Cancellation Form or notify the school of the cancellation by some other means.
3. For any study program changes resulting in a decrease in the number of English lessons per week (e.g. 20 lessons/week to 16 lessons/week) after enrollment has begun, there will be an one time study program change fee of \$110.
4. For specialized Activity Programs [e.g. Study tours, English Plus, etc.], there are no refunds for homestays, activities, airport transfers, or excursions, but only for tuition that is offered as per the normal Cancellation/Withdrawal policy [see below].
5. There are no refunds or make-up classes for classes missed due to holidays, graduation, orientation, natural disasters and/or other situations beyond the school's control.
6. If Global Village Hawaii cancels a program that a student registered for, and proficiently placed into, Global Village Hawaii will refund all monies paid by the student. If the student came through an agency, Global Village Hawaii will check with the student's agency for any other fees that they may assess.
7. If a student is dismissed from school for violating school policies, Global Village Hawaii will refund the student per the normal Cancellation/Withdrawal policy [see below].
8. It is understood that students who register through travel agents have signed contracts with these agents that may include cancellation penalties, no refund policies, or home country refunds only conditions. In all cases regarding agent-sent students, Global Village Hawaii will confirm the conditions of agent-student contracts with travel agents before issuing any refunds.
9. Textbook fees will not be refunded once the books have been issued to the student. If a student has the same edition of textbook(s) from previous studies, the student may request a refund for the new textbook(s). The request must be made within the first week of studies. No refunds will be given beyond this period.
10. Cancellation/Withdrawal of Enrollment before the student's program start date or never attended class (no show):
 - 10.a Global Village Hawaii will refund all monies paid less the non-refundable fees: registration fee, accommodation placement fees, any actual housing costs incurred (including deposits) by Global Village Hawaii, express mail fees, and SEVIS related fees. However, if a student cancels within 72 hours of submitting the registration, Global Village Hawaii will refund ALL monies paid less non-refundable accommodation deposits, express mail fees and SEVIS related fees, if applicable. An amount not to exceed \$500 in identified non-refundable charges may be charged in the event of a student's cancellation. All refunds will be made within 45 calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.
 - 10.b Students Denied Visa/Entry: A student denied a student visa or entry into the United States will be given a full refund of all monies paid less non-refundable accommodation deposits, any actual housing costs incurred by Global Village Hawaii, express mail fees and SEVIS related fees, if applicable. An amount not to exceed \$500 in identified non-refundable charges may be charged.
11. Cancellation/ Withdrawal of Enrollment after the student's program start date:

For all cancellations, students can notify Global Village Hawaii by completing a Cancellation Form or notifying the school of the cancellation by some other means. If a student does not notify the school that he/she is withdrawing, Global Village Hawaii will check attendance records and if the student has been absent for more than 10 consecutive class sessions, the student will be dismissed from school and the student's I-20 Form will be terminated. Global Village Hawaii will calculate the student's refund (if applicable) based on the last day of attendance. Any money to be refunded will be mailed to student's home address or to their travel agent.

 - 11.a No refunds will be given for the first 4 weeks of the student's study program.
 - 11.b For students who cancel/withdraw after the first 4 weeks but before or at the midpoint of the student's study program, Global Village Hawaii may retain a prorated amount of tuition and other fees. For students who withdraw after the midpoint, Global Village Hawaii may retain all of the charges for the student's study program.
 - 11.c Prorated refunds will be calculated on a weekly basis. When determining the number of weeks, Global Village Hawaii defines a partial week as if a whole week were completed, provided the student was present at least one day during the scheduled week.
 - 11.d Students who cancel/withdraw after completing the initial study program, but before or at the midpoint of any subsequent study program, GV Hawaii may retain a prorated amount of tuition and other fees up to the midpoint. For students who cancel/withdraw after the midpoint of any subsequent study program, GV Hawaii may retain all of the charges for that study program.
 - 11.e Refunds due students may not be applied toward future tuition fees.
 - 11.f Students who cancel/withdraw before the first 4 weeks or after the midpoint of the student's study program due to a death of an immediate family member (spouse, parent, grandparent, child, brother, sister, mother-in-law, father-in-law, or legal guardian), Global Village Hawaii will refund 50% of the student's unused tuition and refundable fees upon receiving official documentation of the immediate family member's death.

LEAVE OF ABSENCE POLICY

Global Village Hawaii students can request a leave of absence by completing and signing the Leave of Absence Request Form at least 5 working days prior to the start date of the leave of absence (LOA), unless unforeseen circumstances prevent the student from doing so. The students must specify a reason for the leave and date the LOA Request Form. Approval of the LOA will be documented by the Vice President's signature on the LOA Request Form and a copy of the form will be made available to the student. If the student does not report to school at the end of the LOA, he/she will be dismissed from school and student visa holders will have their SEVIS record terminated based on the last day of attendance. The Global Village Hawaii Cancellation Policy will be applied based on the student's last day of attendance. Students requesting a LOA normally do not receive a refund for the period of the leave and there will not be any additional charges as a result of the LOA.

Global Village Hawaii approves written requests for Leave of Absence (LOA) of up to 4 weeks for students who are in good standing and have studied for 26 consecutive weeks. LOAs are approved in weekly segments from Monday to Friday. Students in good standing are defined as students who are not on probation or have a Student Learning Plan (SLP). Students in long-term programs such as the Academic Year Program and Semester GAP that have vacations or leaves of absence already built into the program, will not be eligible to take additional leaves of absence except for emergency leaves of absence. Accrued LOA must be used within a year of being earned.

Emergency leaves of absence may be granted due to:

1. **Medical Leave:** Students needing medical attention for illness or health conditions may take a LOA of two weeks or more and must provide a doctor's note upon return from their leave of absence. Failure to bring a doctor's note will result in marking the days missed from school as absent.
2. **Family Emergency:** Examples include but are not limited to death of a family member; severely ill or hospitalized family member; or other events determined applicable. Special exceptions can be made for non-family members depending on the type of relationship with the student.

Students will need to see the Vice President for approval of their requested leave of absence. Any approved leave of absence/s may consist of multiple leaves of absences provided the total leave does not exceed 90 calendar days in a 12 month period or 50% of the student's program length, whichever is shorter. An extended leave of absence of more than 4 weeks may require retesting of the Proficiency Test upon return from the leave of absence.

The length of the leave of absence may be extended provided all the conditions above are met. To extend, a written request must be given to the Vice President for his/her signature and approval prior to the end of the current LOA. A copy of the form will be provided to the student either upon his/her return to school or by email or fax.
