THE REGISTRATION FEE

A registration fee is required for all courses. It is not required for the English camps. The amount of the Registration Fee depends on your age on the day you start your course:

- If you are aged 18 years or more: £80
- If you are aged 16 or 17 years: £170

The reason for this difference is the additional welfare measures we have in place for students who are under 18 years of age and who are not, therefore, legally adults. Please see our brochure for details.

AIRPORT TRANSFERS

If you wish us to arrange taxi transportation from your airport of arrival in London to your accommodation in Cambridge, to the total fees, add:

 London Heathrow	£190

YOUNG
LEARNERS

EAST

International Association
of Language Centres

This dates and fees leaflet, our 2020 brochure and the current website supersede all previous versions. We undertake to offer the courses and services described within.

These **Terms and Conditions** apply both to the student and to his or her parent or guardian if the student is under the age of 18 years (the person who signs the Application Form). It does not matter if you have booked the course directly or through an ETO (agent). The words “you” and “your”, therefore, apply to both the student and his/her parent or legal guardian.

The text in black in these Terms and Conditions refers to all students. Text in green is for students applying for or taking English Language courses for Adults in Cambridge. Text in blue is for students applying for or taking an English Camp for Young Learners.

Your application

1. Once your application has been received and we have confirmed the enrolment, a binding contract exists between you and Studio Cambridge. Once a contract exists, all fees are due for the full period of your course.

2. The person signing the application takes responsibility for paying all required fees.

3. Fees must be received by Studio Cambridge no less than four weeks before the start of your course. Failure to comply with our payment terms may result in your enrolment being cancelled.

4. If we are unable to accept your application for enrolment, we will offer you an alternative course or course start date, or we will suggest a similar course at a comparable school. If these are not acceptable to you, we will refund all fees paid.

5. We reserve the right not to accept any application for enrolment of any student at any stage of the application or booking process. In the event that your application is declined, all fees received will be refunded in full, but we shall be under no obligation to give reasons for the decision.

Payment

6. We guarantee a place on a course or camp at Studio Cambridge only after we have received your full payment.

7. We send all documentation by email unless otherwise requested. If posted, we will send by Royal Mail or we can send documents by DHL at additional cost.

8. In compliance with British government regulations, the School will not accept cash payments in excess of €15,000 or their equivalent.

9. Payments may not be made in instalments.

10. You must pay any bank charges incurred in making the payment to the school.

11. Any change which results in additional charges must be paid for before the change is implemented.

Applicants with disabilities

12. We have limited facilities for students with some disabilities but do our best to make reasonable adjustments in order to accommodate the needs of all students. Our main school is located in buildings over 100 years old, on five floors and without lifts. We also run courses and camps at other premises with varying degrees of accessibility. Also, students are accommodated in residences or homestays, while social, cultural and sport activities are often included as part of our programmes. Therefore, the suitability and accessibility of our courses for disabled students is different in each case. If you have any physical, mental or learning impairment or special educational need, please inform us prior to enrolment. We will be happy to advise on the suitability of each of our programmes.

Visas

13. If you come from a country whose nationals are required to be in possession of a visa to enter the United Kingdom, it is your responsibility to obtain that visa. It is your responsibility to ensure that you have the correct visa type and appropriate “leave to remain” (immigration status) in the UK. In the event that we find that you do not have appropriate leave to remain, we will terminate your course immediately and you will have to return to your country. In this case tuition and registration fees are non-refundable.

14. On receipt of your application, plus the deposit or full fees, we will confirm receipt of the application and a place on the course will be kept open for you. The booking itself will not be confirmed until you inform the school that you are in possession of a visa.

15. On request, we will give you a letter confirming that your application has been received. This can be used to support your application for a visa.

16. If your application for a visa is unsuccessful, we will refund all monies paid on receipt of a copy of the letter of refusal from the British authorities (British Consulate or Visa Section of a British Embassy). If an appeal process is available to you, we will only make the refund when the appeal has been unsuccessful.

Your course

17. All students are expected to complete the course in which they have enrolled and to attend all classes. If you fail to do so we may advise the British authorities (the Home Office) of your noncompliance with these conditions.

18. By enrolling you on a Studio Cambridge course, you accept responsibility (or your parents/guardians grant permission) to attend any activities organised by the school or arranged by the school through third parties (for excursions). In some circumstances, we may also request a consent form.

19. In rare circumstances the stated maximum class size might be exceeded. If this does happen, it will only be by one person and for a very limited period.

20. We are reliant on the accuracy of applications

for enrolment when assigning students to courses and accommodation (e.g. by age or nationality). In very rare circumstances the advertised minimum or maximum age of students in class may not be met. If this does happen, students will only be outside the advertised age range by a few months and for a very limited period. They will be assessed for their suitability for the course and the other students in the class (or accommodation) will be consulted.

21. All courses are offered subject to demand and we reserve the right to cancel or alter any advertised course. If we do so, we will make every effort to offer you an alternative course. If you decide not to take the alternative course offered, we will refund all fees, but we will not be liable for any losses incurred to you for cancelled travel arrangements.

22. If your English level is not suitable for the course you have booked, we reserve the right to move you onto a different course or to refuse you admission to the school.

23. In the rare circumstance that there are not enough students to form a class at your appropriate English level, (e.g. if you are a beginner), we reserve the right to offer you private lessons in lieu of group lessons until you have reached the appropriate level where group classes are available. There will be no additional charge, but the number of private lessons will be provided at a ratio of 1 private lesson = 3 group lessons.

24. We reserve the right to change teachers at any time during your course.

25. We reserve the right to alter dates, fees and any particulars in the brochure without prior notice.

26. Classes usually take place in our main school, summer campus and summer camp buildings. Sometimes additional premises located near the school or summer camps are used. The School reserves the right to move classes between rooms and premises as appropriate.

Resolution of disputes

27. If you are dissatisfied with your course or any aspect of the services offered by Studio Cambridge, you must bring that dissatisfaction to the attention of the Director of Studies or Course Director as soon as possible in order that a solution may be found without delay. We do not accept complaints received after the student has left the course and/or returned to their own country.

28. Once a complaint has been brought to our attention we will make every effort to resolve the problem within 24 hours by fully investigating the issue as per our “Complaints Procedure”, providing:

i The complaint is made while the student is still attending a Studio course or camp.

ii The complaint is registered in writing with a Studio Manager

iii All invoices relating to the student making the complaint have been settled in full.

29. If you are still not happy with the situation you may ask for the matter to be referred to a school Director, who will give a decision within 24 hours.

Attendance

30. We are a serious academic institution and expect every student to be on time, attend every lesson and do all their homework. We keep strict attendance registers and latecomers may not be allowed into class. Students only receive a leaving certificate if class attendance has been 80% or more.

31. If you miss a lesson, for any reason, we cannot give a refund or allow you to take the lesson at another time. In the case of absence due to sickness of up to 7 days, students must complete a self-certification sickness form on their return. For sickness of 8 days or more, students must provide a ‘fit note’ from the doctor.

32. Absence from classes for 10 consecutive days or more, or repeated absence without authorisation (e.g. 1 or 2 days per week), will be reported to the UK Visas and Immigration authorities (for visa nationals), and/or to sponsors (for sponsored students).

Conduct

33. The school expects students to adhere to the standards and rules set out in our “Student Code of Conduct”. This requires all students to behave reasonably at all times towards other students, school staff, homestay hosts, our facility providers, and members of the public. We expect students to respect cultural, racial and religious differences.

34. We expect students to behave reasonably and responsibly online (including using any form of messaging or social media) and follow the school’s guidelines on internet use - including not downloading or sharing any illegal or inappropriate material.

35. In the event of misconduct or unsatisfactory attendance or work, we reserve the right to refuse admission to any student or to dismiss any student from school or accommodation without refund of tuition fees. Any extra costs involved will be the responsibility of the student, parents or sponsor.

36. In the event that a student is required to leave a course, we will inform the appropriate authorities (such as the British Home Office).

Accommodation

37. All accommodation payments must be made through Studio Cambridge.

38. If you book your own accommodation you must give your accommodation address and a contact telephone number to us before you come.

39. If you leave your course early for any reason, you will be asked to leave your accommodation.

40. Refunds for all accommodation options will only be made for full calendar weeks (Sunday to Saturday).

41. If you only book accommodation for part of your stay and you decide to extend we cannot

guarantee that you will be able to stay in the same accommodation.

42. We reserve the right to change your accommodation at very short notice before you arrive or once you are here (due to death, illness, work commitments or other unexpected situations). We guarantee to provide accommodation for the period you have booked but not necessarily with the same homestay or in the same category of accommodation for the whole period.

43. If you have a problem with your accommodation we will attempt to resolve it as soon as possible. You may ask to change accommodation up to a maximum of 3 times. After this we reserve the right not to offer you alternative accommodation.

44. Any student who behaves in an unacceptable manner will be asked to leave their accommodation, with no guarantee that we will be able to find alternative accommodation.

45. Residential accommodation is booked solely on a weekly basis. If your homestay accommodation requirements involve extra days, you will be charged a daily rate for up to 3 days. For 4 or more extra days you will be charged at the full weekly rate.

46. On arrival, if you have booked residential accommodation you will be asked to sign a contract and follow the terms and conditions of that contract. Failure to do so means you will be asked to leave the accommodation and no refund will be given.

47. Guests are not permitted to stay in homestay or residences without prior arrangement with Studio Cambridge.

48. Check-in to accommodation should be on Sundays between 12:00 and 17:00. There is a charge for check-ins outside these times. Please note we cannot check students in after 20:00.

Liability

49. Studio Cambridge does not accept responsibility for the provision of any services that are not expressly mentioned in our brochure or website.

50. We do not accept liability in the case of illness, accident, or loss/damage to personal items of property during our courses and camps, while on premises used by Studio, or in accommodation or transport booked through us.
